# Ashley Swarts

Ashley was exposed to the real estate industry from a young age with several family members successfully involved in local real estate agency. It's therefore not surprising that, after several years gathering valuable experience as a sales manager for an international company and as a small business owner, Ashley made the move into real estate sales.

His experience has taught him that success starts with a clear understanding of his clients' needs. For this reason, he's a great listener! From there, hard work takes over and he's demonstrated over the years that he's not afraid to dig in and get his hands dirty!

Gifted with a caring personality, a strong commitment to integrity, a high level of professionalism and a burning desire to succeed, Ashley is easy to be around and goes out of his way to make his clients feel comfortable.

When you choose to partner with Ashley in the sale of your home, or in the purchase of another, you can be confident knowing that you will receive strong, loyal and successful advocacy from beginning to end.
