Peter de Jonge

Peter moved into the local area with his family as a young child and has lived in and around our local suburbs ever since. His father was a successful jeweller, running his business from the Armadale Shopping precinct for many years and establishing a reputation for impeccable ethics with many local residents.

Peter has been in and around the real estate industry for the better part of twenty years, with the last ten years or so being spent as a part of the successful O'Neil Real Estate sales team.

In this time he has built up a consistent sales record based upon honesty and market knowledge,

and has garnered valuable selling experience in a very wide range of property – from traditional first homebuyer properties to exclusive lifestyle properties with values well in excess of \$1,000,000.

Despite his long career in the real estate industry, Peter's enthusiasm for helping people fulfil their real estate dream remains as strong as ever. To this end, his steadfast commitment to assist his clients to achieve their goals has always placed him 'ahead of the pack'.

Testimonials

We would like to thank you for the outstanding service you have shown to us throughout the sale of our property. It was refreshing to have someone that has kept us informed and advised every step of the way and on top of that you have actually achieved a price higher than what the property went on the market for. Thanks again you will be our first and only call when it comes to buying or selling property.

Tara Lee

We would like to thank you for selling our 2 properties. We were always very pleased with your handling of our properties. You were always there when we needed you. Helpful at all times no matter what time. We have listed another property with you & if we have something else to sell we will of course have you as our agent again.
